

Electric Pallet Truck (Pedestrian) SL15L3 / SL20L3

Product Features

Lightweight & Compact Design
Easy to operate with a small turning radius.

Efficient Electric Drive
Saves operator energy and increases productivity.

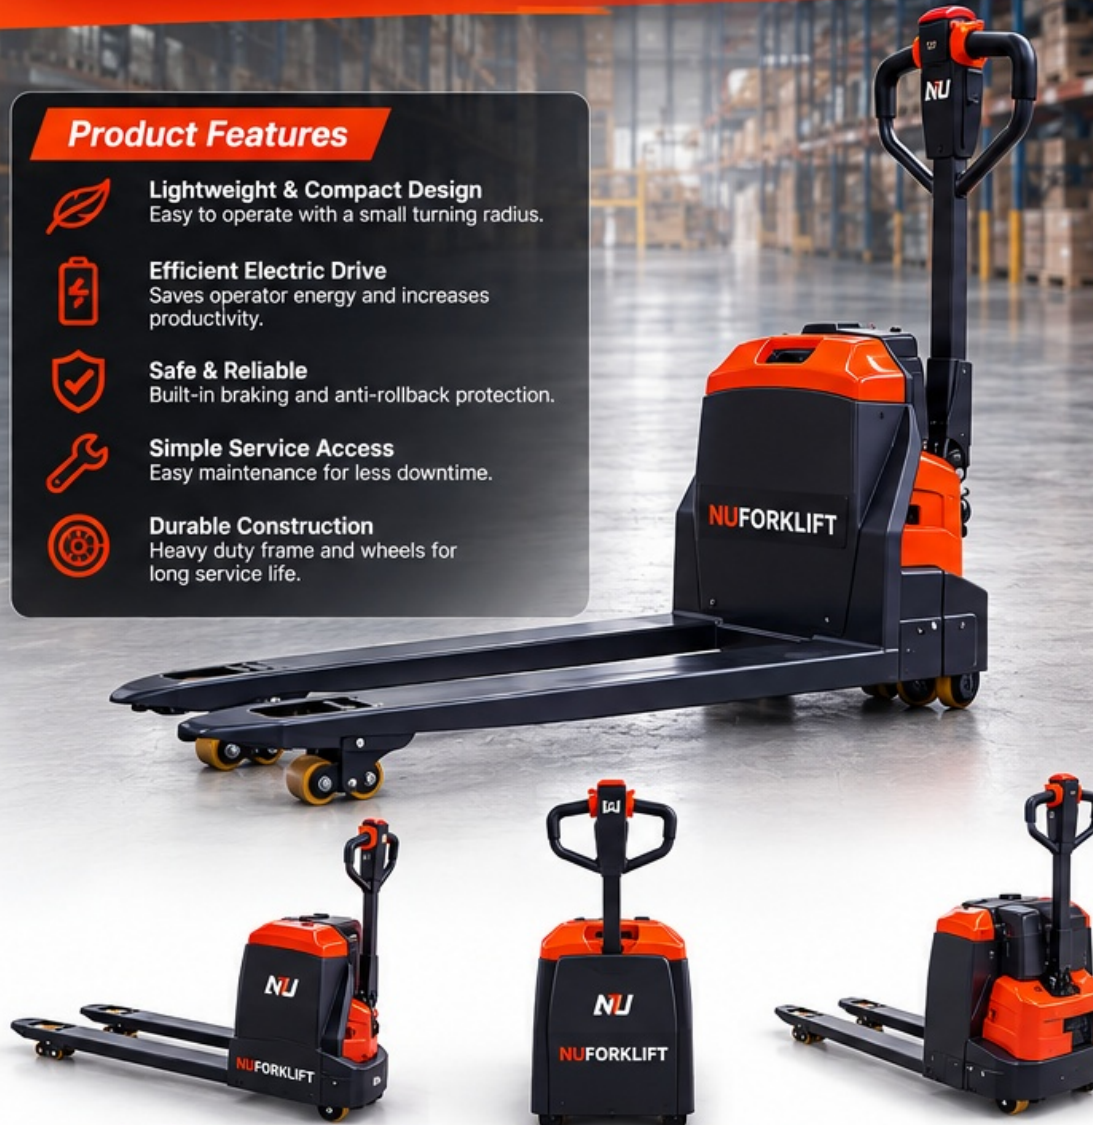

Safe & Reliable
Built-in braking and anti-rollback protection.

Simple Service Access
Easy maintenance for less downtime.

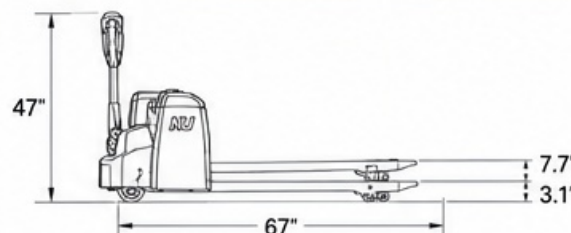

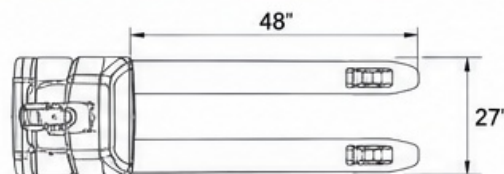

Durable Construction
Heavy duty frame and wheels for long service life.

Technical Specifications

Model	SL15L3	SL20L3
Rated Capacity	3,300 lbs	4,400 lbs
Load Center	24 in	24 in
Service Weight (with battery)	315 lbs	330 lbs
Fork Length	48 in	48 in
Fork Width (overall)	27 in	27 in
Lowered Fork Height	3.1 in	3.1 in
Raised Fork Height	7.7 in	7.7 in
Turning Radius	53 in	53 in
Travel Speed (loaded / unloaded)	3.2 / 3.7 mph	3.2 / 3.7 mph
Lifting Speed (loaded / unloaded)	0.7 / 1.1 ips	0.7 / 1.1 ips
Lowering Speed (loaded / unloaded)	1.2 / 1.0 ips	1.2 / 1.0 ips
Drive Motor	0.6 kW (AC)	0.6 kW (AC)
Lift Motor	0.8 kW	0.8 kW
Battery	24V / 70Ah	24V / 80Ah
Charger	24V / 10A (External)	24V / 10A (External)
